

# STEAM

Are you  
the type of  
person who  
can analyze  
raw data for  
insights and  
trends with  
the goal of  
discovering  
useful  
information?

The Data Analytics  
Pathway may  
be for you!

## Data Analytics

Students will learn the fundamentals of data science, its currency in the job market, and its applicability to everyday life through hands-on projects with realworld datasets.

### Career Opportunities (Per Year)

- Project Manager - \$97,105
- Building Inspector - \$67,700
- Cost Estimator - \$88,513
- Code Enforcement Officer - \$53,331
