

Family and Job Resource Fair

Make New Connections and Find Your Next Opportunity at Our Job & Resource Fair!

Meet with Employers

- Talk directly to people from many different companies who are looking for talented people like you.
- Find out about open jobs, give them your resume, and show them how great you are.

Learn About Education and Training

- Find programs and classes that can help you learn new skills, improve your current skills, or start a brand new career.

Find Helpful Resources

- Talk to organizations that can help you with things like writing your resume, getting career advice, and more.

Special Things About This Event:

- It's Free! Everyone who is looking for a job or wants to learn about resources is welcome.
- You might get interviewed right away!
- There are community supports ready to serv you right away
