

Specials Report Art, Music, PE and Library

Physical Education

Health and Wellness Night is May 2 at 5pm we hope to see you there!

As the weather continues to improve, please remember to have students wear sneakers or keep a pair in their locker for safe outside play.

The Annual field trip to the Baseball Stadium and game is June 12th, grades K-5 will be attending.

This is the first year for Varsity Girl's Flag football in New York State. SCSD has two team Syracuse East 5- 1 (Henninger and Nottingham) and Syracuse West 3-2 (ITC, PLSA @ Fowler, Corcoran)

Library

Hello families!

Spring has finally sprung in the library! March and April have been busy months with so much to celebrate and talk about. Primary and Lower elementary enjoyed learning about St. Patrick's Day, Ramadan/Eid, Easter, Spring and Earth Day. We will continue to use the apps found on the library web page and Clever to keep exploring new topics. When they return from April break, students in grades 3-5 will wrap up the research unit by creating finished products from the information they gathered. Students have practiced using Microsoft Word and are beginning to turn in PowerPoint Projects. Many of them are excited to get creative in the final project, which will involve Canva. As we wrap up the school year, be on the lookout for information coming home about the bookfair which will be open from May 17-23. Information on the summer reading program will go home in June. If you have any questions about what is going on in the library or how to access your child's Clever account so that you can practice at home, please feel free to reach me at lbachiller@scsd.us.

Thanks,

Ms. Bachiller

ALL CITY ART

Where: Meachem School

When: May 4th 10am-12noon

Who: Reed G., Kyrie J., Madison J., Ra'Maj R., Victoria, S., Maya W., Domenica L, Cora D., Miliha R., Kamora K, Laylani, P-S, Noah C. and Smarika.

Music

What a great time we are having in music!!! We have enjoyed a few Montessori Gatherings, had some great representation at our All-City Band, Orchestra and Chorus festivals and we wrapped up our March Madness incentive.

In music class, we've been learning new rhythms, writing/drawing music notes and have started to create music on paper/iPads. We are reinforcing techniques used in the classroom when writing/drawing and when creating music.

We've started to talk about notes on the music staff (ABCDEFG) and what a specific pitch means, Long-sort sounds, high-low pitches, Do-Mi-Sol and much more!

We had fun celebrating with various activities in music from singing, dancing, musical instruments and more! One of the favorite activities is using non-traditional items as instruments.

Our Spring Concert will be on Thursday June 13, 2024 at 6pm in the Lemoyne Elementary gymnasium. Please keep an eye out for notifications coming home!

Please stay safe, healthy and most importantly... Stay Musical!

Mr. Ganey

Art

Looking for something to do that teaches your children about the arts, check out the <https://cnyarts.org/> This website provides information on regional art performances, music, theater and fine arts exhibits for every interest and cultural lens.

Take the time to color or play with bricks or blocks with your child, Have them draw while you prepare dinner, once dinner is ready, they can clean up and help set the table. Or you can have them make art at the table when the adults are still eating, they can help with clean up, make it fun for everyone! Another fun thing to do is go on an outdoor scavenger hunt and look for different shapes, colors and textures in nature.

Thank you for supporting the arts with your child(ren).

Ms. Meg Gregory

No matter what role you play in our students lives thank you for being a mother and or a father to them.
